Marqués de Tomares

Blanco Gran Reserva 2016

Combining tradition (dating back to 1910) and modern installations, Marqués de Tomares is in Fuenmayor, in the heart of Rioja Alta. It has maintained the mastery of **ageing wines in oak barrels** that has marked out Rioja Alta wineries for so long. Although most of its production is red, this small-production white wine is a great example of Viura's potential to improve with age. **"Delicate aromas of cedar and flowers, and a wonderfully elegant palate,** building from a fresh entry to a complex interplay between freshness and oak. **Lean, pure and understated. Memorable."** - Sarah Jane Evans MW
