RED WINE

Tres generaciones de tradición vitivinícola,
dedicadas al cultivo y la elaboración de vinos.

Three generations of winemaking tradition,
dedicated to the cultivation and artisan
production of wines.

Red wine, cherry coloured with a maroon glow
which shows us its youthfulness, passing to
brownish-red tones fruit of its elaboration.
Aroma especially fruity, characteristic of a new
wine. Full bodied, rich and well balanced in style.
Perfect complement for Mediterranean dishes,
hunter's stews and mature cheeses.
