

# Annesanti Pecorino 'Sibillino'

Umbria, Italy

Varietal: Pecorino

*Bright, Fruity, Vivacious*

A native grape of Umbria, Pecorino at its best has an enigmatic energy - a luscious, unctuous texture and richness. In this case, in the hands of Francesco Annesanti, this texture is all coming simply from the grape itself - no aging in wood, and just a hint of skin contact.

**Think sunkissed mangos, sicilian lemons and yellow apple.**
