Annesanti Umbria Bianco
'Acqua della Serpa' 2021

"The 2021 Bianco Acqua della Serpa is a blend of 20% Martone, 20% Malvasia, 20% Grechetto, 20% Pecorino and 20% Trebbiano Spoletino refined all in terracotta amphora. **It is spicy and wickedly fresh, with a captivating bouquet of ginger-spiked apples, fresh mint and hints of curry leaf.** This is round and surprisingly weighty on the palate, yet balanced, with salty mineral tones underscoring ripe orchard fruits and green melon. The medium-length finish has a tart green citrus tinge, leaving crisp Grechetto tannins to resonate."
