

Frecciarossa Pinot Nero in Bianco Oltrepò Pavese 'Sillery'

'Sillery,' is a rare curiosity: **a Pinot Nero vinified as a white wine.** On the nose, it's surprisingly concentrated, with notes of **white flowers and citrus mixed** with balsamic overtones, followed by an even more shockingly **medium body palate of stone, melon, and pear.** Crisp, supple, and well-balanced, truly **a wine of intrigue** that never gives up a single drop of precision and delectability for the sake of novelty.
