

BARBARESCO DOCG 2022

100% Nebbiolo grapes

Barbaresco is our flagship wine.

Produced from a selection of the finest grapes grown in the villages of Barbaresco and Neive.

Vineyards: Ovello and Bernino in Barbaresco; Fausoni and Staderi in Neive.

Soil: mainly silt with limestone and clay

Vinification: spontaneous fermentation of 25 days in concrete tanks

Aging: each single vineyard is aged 14 months in large oak, followed by blending and storage in concrete tanks before bottling

The Vintage:

The 2022 vintage, in the Langhe, was very hot and dry, with high temperatures and few rainfalls making it a challenging vintage. The drought and heat led to an early harvest with high quality grapes

Tasting Note:

A wine with a dark color, offering aromas of raspberries, blueberries and nutmeg, with a balsamic finish. The sip is concentrated and smooth, a touch of sapidity with mature tannins. This is a vintage ready to be opened and enjoyed, no decanter needed
