Palomino 'Amigo Imaginario' 2021

"The golden 2021 Amigo Imaginario is an unfortified skin-contact white from old vines matured in old Oloroso barrels for 18 months. It has **nutty notes and hints of peach** I had not noticed in previous vintages, more marked by the barrel and with more Sherry character this time. **It's round and velvety**, with some fine tannins and a chalky finish. More than ever, it's **like a young Oloroso...**"
