## Henners

Blanc de Blancs 2018

"From a top vintage in England, this is a beautifully crafted bubbly, enticing with **opulent honeyed toast, fresh hazelnut** (or "cobnut" as the Brits say), **butter-scotch and lemon-brioche aromas**. A crystalline line of acidity and fine mousse cuts through the richness. There's lovely concentration and length, those honeyed, creamy notes lingering. **A classy bottling for a special occasion.**"
