

# HENNERS BLANC DE BLANCS

East Sussex  
Chardonnay

UEHNO45  
12.00% ABV

## FOOD MATCH

Perfect aperitif or celebration wine.

## TASTING NOTES

Classic chardonnay notes of lemon, grapefruit and orange zest, combined with riper stone fruit characters, hints of tarte tatin and pastry combine to make this mouthwatering and elegant vintage blanc de blancs.

## PRODUCTION

The blanc de blancs is 100% chardonnay from the exceptional 2018 vintage. A perfect growing season in England produced a vintage of high yields and outstanding quality, with grapes harvested with tremendous flavour concentration. It was the first time we made a blanc de blancs and we chose chardonnay lots that had purity, clarity of fruit, minerality and the finesse for long ageing.

Henners 2018 Blanc De Blancs Chardonnay (England)

Beautiful, oh-so-English aromas of raw honey, pear, lemon rind, ground ginger, nougat and fresh cream form the nose of this stellar sparkling from a coastal vineyard in East Sussex. Mouthwatering citrusy acidity first hits the tongue, followed by a chalky texture, a tickle of toast and a long lemony finish amid a fine bead of bubbles. — C.P. Published 12/31/2023
