

Luigi Tecce Irpinia Campi Taurasini 'Satyricon'

This wine is the closest Campi Taurasini gets to being Taurasi. The **single vineyard cru of Satyricon** straddles the zone of Taurasi, and is an incredible example of the power and finesse that can be obtained through **biodynamically farmed Aglianico**. Luigi Tecci's Satyricon is the **lightest of the wines in his canon**, which despite this statement, is still incredibly powerful. **Nuanced by intense aromatics of black fruit, sage and earth**, this wine is a perfect pairing for hearty meat and game dishes.
