

Pauwel Kwak

BELGIAN SPECIAL ALE | ABV: 8.4%

Brouwerij Bosteels is located in the village of Buggenhout, Belgium. It has been on the same site since 1791. Bosteels Brewery has been in the hands of the Bosteels family for over 200 years and seven generations and has never stopped brewing, even during the World Wars. Older than Belgium itself, this brewery is one of the best-known special breweries in Belgium.

Their history of doing things differently started with the original innovative thinker - brewer and landlord - Pauwel Kwak. During the French occupation, Napoleonic code dictated that "coach drivers shalt not descend from their coaches nor abandon their coaching tavern beer aboard Buggenhout continuing the their horses to quench their thirst". Mail coaches stopped daily for a break at De Hoorn Inn, a coaching tavern on the road. To please his patrons, Pauwel Kwak invented a novel blown glass to hang their beer aboard their coach and drink it without spilling a drop! This inspired the brewery from nearby Buggenhout and since the 1980's, Bosteels has brewed "Pauwel Kwak" and produced the iconic glass, unconventional tradition that can be enjoyed today.

Original in mind, traditional in body. Pauwel Kwak is a gloriously strong Belgian ale with a beautifully balanced blend of malt and hops with an unrivalled complexity flavor:

- Deep amber beer with a satisfyingly dense, creamy colored head,
- Balance of dark caramel, dried orange, a subtle hint of banana and baking spices with a touch of earthiness, and
- Medium-bodied character with a soft, mellow warmth.
