

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

2022 Chardonnay

Sonoma Coast

TASTING NOTES

Showcases vibrant notes of tropical fruit and green apple on the nose. The palate is medium, with fresh flavors of lychee, grapefruit, ripe cantaloupe and vanilla bean. The finish lingers delightfully with notes of apple strudel and suggestions of baking spice.

SUGGESTED FOOD PAIRING

We love this clean, complex chardonnay with fresh dishes like ceviche, Ahi tuna tartare, of buttered crab, and crusty sourdough bread. Serve chilled with salads and young cheeses, or at room temperature with richer dishes and aged cheeses. A versatile and complex wine is a great cellar staple.
