8%VOL

### The Box:

Join the parade! It's finally here. After countless requests, the Delirium Can Variety Pack is set to arrive. The USA will be the first market to witness this brand new spectacle. A Parade of World Class Belgian Beers, easily identified by the iconic Delirium Pink Elephants marching around its exterior.

### The Brews:

Inside, you will find four iconic brews from the world of the pink elephant.

Delirium Tremens is the countless award-winning Belgian ale that started it all for the Pink Elephant Brand. Delirium Red is the beer you know and love, with Cherry and Elderberry added. Nocturnum, 'The Dark Side of Delirium' a darling of beer-lovers with its roasted malts and authentic Belgian Dark Ale flavors. Deliria, is a Belgian Strong Blond Ale brewed in honor of International Women's Day by a group of women from around the world that travel to Brouwerij Huyghe for the brew-day!
