## WINE ENTHUSIAST

### Château Mercues

Cuvée 6666 Malbec 2020

“Parcels planted with a high density of 6,666 vines per hectare (2,698 per acre) means this is a very concentrated wine. Produced only in top years, **this wine’s density and powerful black fruits are impressive.** **It is rich, still structured,** likely to be ready from 2026.”
