Silvano Bolmida Barolo
'Bussia Vigna dei Fantini' 2021

"The 2021 Barolo Bussia Vigna dei Fantini is all class. Aromatic and persistent, the 2021 builds in the glass, offering an explosive core of understated fruit in a mid-weight package that is so appealing. **Kirsch, blood orange, cinnamon, mint and dried flowers are beautifully delineated. Persistent, silky tannins round it all out in style.**"
