Silvano Bolmida Barolo  
'Le Coste di Monforte' 2021

"The 2021 Barolo Le Coste di Monforte marries finesse with power to a degree I have not seen here in the past. *Kirsch, blood orange, white pepper, chalk, rose petal and dried flowers convey brightness to play off the wine's structured, layered personality.* All the elements are so well balanced. **High class.**"
