Distilled in: Amatitán, Jalisco, Mexico

NOM: 1522

### TASTING NOTES

Vibrant, innovative expression, bringing together tradition and creativity in each sip. On the nose, fresh cooked agave and peppery notes lead, followed by hints of berry, stone fruit, and delicate vanilla. On the palate, vibrant agave and white pepper meld with red berries, dark cherry, and a slight tannic structure from the wine barrels, rounded by soft vanilla and caramel.

*Elevación1250 embodies the exquisite culmination of blue weber agave harvested in the mineral rich volcanic soil of the Tequila Valley, nestled in Jalisco Mexico. The craft of producing this tequila unfolds at Hacienda de Oro S.A. de C.V, meticulously led by fourth generation, female Master Distiller, Iliana Partida. **Climate, altitude and heritage in every sip.** This is the terroir of Los Valles.*
