Cornas Les Vieilles Fontaines 2022

“There are just seven barrels of the 2022 Cornas Vieilles Fontaines, which was destemmed and brought up in a mix of new and used barrels. It has *classic cassis and darker berry fruits as well as lifted incense, violets, spice, and gamey, bouquet garni-like nuances.* With medium to full-bodied richness, it’s nicely balanced, has a layered, focused mouthfeel, ripe yet building tannins, and a gorgeous finish. It’s just about impossible to find in the market, but it’s a brilliant wine that deserves 2-3 years in the cellar and will evolve gracefully. Drink 2027-2047.”
