Corsendonk Christmas Ale

A pioneer of the style in the U.S., Corsendonk Christmas Ale remains a year-end favorite. **Brewed with roasted special malts, the finest hops, and a hint of coriander, it pours a deep red-brown with a round, balanced taste and a dry, refined finish.** At 8.1% ABV—lighter than many Belgian holiday ales—it delivers all the rich flavor of a winter warmer, making it **a cult classic among American beer lovers.**
