# ORIGINAL ITALIAN CANDONI SPRITZ

## INGREDIENTS

**PREMIUM  
ITALIAN WINE.**

**WE PURCHASE THE DRIED HERBS  
DIRECTLY IN THEIR AGRICULTURAL  
STATE. WE USE GENTIAN, RHUBARB  
AND OTHER HERBS IN SMALLER  
PERCENTAGES.**

**INFUSION WITH SICILIAN ORANGE  
PEEL FOR MAXIMUM FLAVOR  
EXTRACTION.**

**SODA WATER  
IS MIXED TO PERFECTION.**

## MAKING PROCESS

**1**

The herbs are placed in cold hydroalcoholic infusion for a period of no less than 20 days. What you obtain naturally is the alcoholic infusion.

**2**

The remaining herbs still have the alcohol and water mixture inside them, therefore they are pressed in the twister which gives another concentrated, rich infusion which is added to the initial extract.

**3**

Soda water is mixed to perfection. Through the mixing process the optimal carbonation is obtained.

**4**

The finished product is then stored in IBC tanks until bottling.
