

94 POINTS WINE ENTHUSIAST

Le Roi Rouge 2024

"This would be a superb wine at **three times the price**, offering far more in flavor, texture and stability than most anything in its price class. Deep aromas of blackberry, pepper-corn, woodspice and oregano lead from the nose into a rich palate that's lush but bone dry. **Flavors of blue and red fruit are dusted in espresso and baking spice, finishing on a chocolate note.**"
